Are you a passionate presenter wanting to share your expertise with the GP supervision community?

Our inaugural 2026 online symposium drew 600+ attendees from Australia and 15 other countries to 44 sessions over a 24-hour program. It was a fantastic educational experience! Now we're calling for interested presenters for our 2027 event.

Take the virtual stage to share your knowledge with GP supervisors, practice managers, registrars, and medical educators across Australia and internationally.

Key presentation themes

We are seeking engaging presentations around:

- Best practice supervision
- Clinical excellence
- Learner support
- Practice management
- Teaching and supervision success
