The screenshot shows the GPSA Community website interface. At the top, there is a navigation bar with links for ABOUT US, SUPERVISION, TRAINING PRACTICE, COMMUNITY, CONNECTION, and UPDATES, along with an Admin Panel button. Below the navigation bar is a banner image of a stethoscope on a desk. The main content area is titled 'Supervisors' and includes a 'Manage group' button. Below the title, there are tabs for 'Supervisor Group at a Glance', 'Supervisor Members', 'Supervisor Business', and 'Supervisor Discussion' (which is circled in red). To the right of the tabs, there are profile icons and a '+653' member count. Below the tabs, there is a search bar and a 'New discussion' button (circled in red). The search results section shows 'Results (2)' and a dropdown menu set to 'Updated Recently'. The first result is by Simon Morgan, posted 23 days ago and updated 7 days ago. The title of the discussion is 'Words of wisdom', and the content is: 'As part of our website revamp, we are seeking some 'words of wisdom' from our supervisors. These are short, pithy reflections (one or two sentences) on a specific topi...'. There is a 'Registrars' tag below the text, and interaction icons for likes (1), comments (10), and shares.
